

Falling Apart

Slow Pulp

Looking at the TV
Thinking that you're dreaming
I don't think you know
How to handle
You have got to step up
Show that you can be enough
Make it okay
It's hard to swallow

Why don't you go back
To falling apart
You were so good at that
You're one in a million now
You don't want to take the time
You just need to seem alright

Feeling like a deadbeat
Everything is incomplete
I don't think you know
What it takes for
Looking at the feeling
I know that you're missing
Take it away
I've got to let go

Why don't you go back
To falling apart
You were so good at that
You're one in a million now
You don't wanna take the time
You just got to be alright
Why don't you go back
To falling apart
You were so good at that
You're one in a million now
You don't wanna take the time
You just got to be alright
