Slow Pulp

I'm a bad mess  
I'm a loner with no plans  
Go back home  
Try again  
Again

I don't wanna be a backwards man  
Come on get out of my head  
Head  
Head

I'm a contest  
I'm a loser with no chance  
Hold my hand  
Again  
Again

I don't wanna be a backwards man  
Come on get out of my head  
Head  
Head
