

Yard

Slow Pulp

I've been blinded by the reflection off the lake
The neighbors hear me singing
I don't care 'cause I'm much too baked
Their dogs are barking at the water
I yelled, "They messed up my take"
I didn't get much sleep 'cause I twitched
Missed the volleyball game
I'm a bitch
I've been a bitch

They put the house for sale sign up
Didn't know that I cared that much
I'm sorry I wasn't there enough
It's on me

I've been crying in the yard
The grass is yellow, and it hurts my arms
Wanna burn it up? Wanna watch a show?
Come on, let's go

They put the house for sale sign up
Did you know that I cared that much?
Tell my sister that she's good enough
For me

I don't wanna be
I'm selfish
I don't wanna be
I've been selfish
I don't wanna be
I'm selfish
I don't wanna be
I don't wanna be
I'm selfish
I don't wanna be
I've been selfish
I don't wanna be
I'm selfish
I don't wanna be
