

Where am I gonna land?  
In the palm of someone's hand  
I should have known that the good part was over  
That you would leave at the end of the summer

But the stakes were raised-  
And so, I looked the other way

The sky turned red  
The world came true  
The way I wanted you  
I should have guessed that the moment was passing  
I didn't catch all the signs that were flashing

Cuz the stakes were raised...  
And, so...I looked the other way

All of my hoping just turned into lying  
Kidding myself without even trying  
Should have noticed the whole thing was dying

But the stakes were raised  
And so I looked the other way  
The stakes were raised  
And so I looked the other way
