Slow Runner

Now loneliness is so refined  
It's streamlined  
I slip through doors, I pass the time  
Streamlined

I want to be  
Weighted down  
Tangled up  
In the thorns of love  
But this year I  
Ended up  
Streamlined

All extra weight  
I've left behind  
(mmmmmmmm)  
between the rain  
beneath the signs  
(mmmmmmmm)

I want to be  
Tangled up  
Weighted down  
Lost and found  
Cause these days I  
Just walk around  
Streamlined  
streamlined
