

## chained to a cloud

Slowdive

Did you really understand  
Falling down to the beginning?  
Did you see it's all real?  
For the part of us to let 'em know  
Did you give way  
For the time to [?]  
Did you see it's all real?  
Did you follow?

[Instrumental Break]

Did you really understand  
Falling down to the beginning?  
Did you see it's all real?  
For the part of us to let 'em know  
Did you give way  
For the time to [?]  
Did you see it's all real?  
Did you give?
