

Facto

Slowdive

Sin
In the water line
Us and mine
Is the water high?
Water mine
In the love, I die
Water mine
In the city line

Is the water high?
Is the water high?
Is the water high?
Is the water high?

Survive
All of the water walk
Crashing down
In the city land
Water line
Is the water high?
Love of mine
Of the water
Love of mine
In the water

Is the water high?
Is the water high?
Is the water high?
Is the water high?

Is the water high?
Is the water high?
Is the water high?
Is the water high?
