

## Like Up

Slowdive

Been so low  
I've been so low  
Feels like up to me  
Been so low  
I've been so low  
Feels like up to me

Been so low  
I've been so low  
Feels like up to me  
Been so low  
I've been so low  
Feels like up to me

Been so low  
I've been so low  
Feels like up to me  
Been so low  
I've been so low  
Feels like up to me
