

## To Watch

Slowdive

Saturday fading  
Is that all that I can be?  
Fall outside  
Is that all that I can be?  
The summer shore  
And there's nothing for me  
Still I'm me  
Is that all that I can be?

Sit on the phone  
Is that all that I can be?  
Thought that I saw  
It's turning, all that it will be

Fall, listen and watch it  
Thought it, it's all that I can be  
It's starting what it means for me  
It's all [?]
