

Ayy  
Places + Faces, mad  
Madd  
Ayy, crazy  
Pitchfork you dunknow

Can't be asked I just CBA  
Dead on arrival DOA  
Home all day no JOB  
I wanna make notes like Jadasea  
Greeze, gaps in my teeth  
Had to shot food because the shits in my jeans  
Nothings not ever what it seems  
Like show me P's and I'll feed my G's  
BBC, CCTV  
Blurred Imagine that don't look like me  
Cases and the man don't speak  
Vanilla ice-tea please  
My cats Siamese like rice and beans  
Smoke weed til' my eyes Chinese  
Ty Ty don't speak  
Same clothes all week  
Sweating loads like it's Mozambique  
You know I mean to come bury man  
Jook a man MT like it's a jerry can  
Draw for the salt then pepper man  
Not a badboy, rudeboy your just any man  
Stand on one leg like a pelican  
Big in the game like T was an elephant  
Herbal relief it's medicine  
Try it with T you'll get hooked on Heroin  
Heaven sent, no one better than come for your neck like a [?]  
Bettering, better than anyone, tell em' to get em' on  
Father any son  
Punch in the belly don  
Cause put the telly on  
Food let me get it gone  
[?] the boy talk peppercorn  
Fresh like peppermint  
[?] make the boy look exorcist

Man's crazy, psycho, mad  
Gunbuck your mother, bad  
Man's crazy, psycho, mad  
Gunbuck your mother, mad

Slowthai laughs  
I ain't involved if it don't make cash  
Slow it down been cold too bras  
Watching face dickhead you get slapped  
Skinny yute I don't know about fat  
Wifey's thick so whine up the back  
Ugly duckling, never got a quack  
But I'm so shady because I'm dressed in black  
Council estate frame of mind  
No debate don't bell my line  
Screw face but I smile like bye

So high like a brudda might die  
Slowthai I be on the next vibe  
Build my empire watch it burn on fire  
Gave me jobs you don't come from the shire  
I'll remove your teeth with pliers  
Slowthai no space no caps  
Usain Bolt ain't running no laps  
Once I got it no getting it back  
Mix the ash down with a bit of crack  
Make them mix watch them lift out the flat  
Incline there like the devils pressed bad  
Madting sadting, I'm sad  
Has been snap him like he's a rag  
Don't troll the internet  
[?] to go bringing it back  
Push man flats like [?]  
Chains on out neck and our wrist  
Worse times we lived  
Chains break the rains [?]  
Red nose like a pig  
Slow it down just a skit  
[?] have a drink
