Dumb

slowthai

No fear like I'm not there
Head mashed, system crashed
Mac dashed, had to update
Cut cords you man are fake
No court, manna bus chase
Get court manna bus case
Bally on never, show face
Ring me up talk snow flake
That's Snow White, you ain't bright mate
Wrist work, take away aches
Magic in, no David Blaine
Hit it twice, go insane
See the lights, feel the pain
Henny in it, nine I dip it
Get it, flip it, then give it
Slow's winning, that's the spirit

Dumb
Everything's all long
Everything so dumb
Every time I'm dumb
Dumb
Everything's all long
Everything so dumb
Every time I'm dumb

Not scared, got a halo
Made of gold like an angel
Bare knuckle box, where's my Silk Robe?
Skinny boy, bellys woah
Hella hard, you soft soap
Rubber guard, roppadope
Blowing up, molotov
Wall to wall, I'm in a box
Wall to wall not playing sqaush
Why you always on a wind up?
Reason being you're spineless
Reason why you don't like us
Hope you catch somethingitus
Die on life cause it's timeless
On top, high rises
I see your blind it's...

Dumb
Everything's all long
Everything so dumb
Every time I'm dumb
Dumb
Everything's all long
Everything so dumb
Every time I'm dumb

Dom, everything he's dom
Nnelgie en slowthai doe het één keer voor me dat is dom
Benzine in mijn longen
Dat is voor Fuego
Als ik ga beginnen

Baby [?] ketting
Je weet wat we rappen

Ze kunnen me niet eens verstaan
UK madness
Oost west thuis best
Ik voel me blessed
Take that take that
020 naar London City
Dat zijn andere paychecks lil' baby

Dumb
Everything's all long
Everything so dumb
Every time I'm dumb
Dumb
Everything's all long
Everything so dumb
Every time I'm dumb
