slowthai

You ever feel like falling?
You ever feel like you're drifting through space?
You ever feel like falling?
You ever feel like you're drifting away?
You ever feel like falling?
You ever feel like you're drifting through space?
Yeah, I feel like I'm falling
Like I'm falling
Like I'm drifting away

Feel like I'm falling
Like I'm falling
Like I'm drifting away, yeah-yeah
Like I'm drifting through space, yeah-yeah
I feel like I'm falling
Like I'm falling
Like I'm falling
Like I'm falling
Like I'm falling through space

'Cause I feel
Like I'm falling
Like I'm falling
Like I'm drifting away, yeah-yeah
Like I'm drifting away from here

'Cause I'm drifting away
Away, away, away, away
'Cause I'm drifting away
Away, away, away, away
'Cause I'm drifting away
Away, away, away, away
I'm drifting away, yeah-yeah
I'm drifting away, yeah-yeah
I'm drifting away, yeah-yeah
