

Slow it down  
Slow it down

War with a dog, you're a kitten  
Your flows catted, my flow isn't  
Roll to the rave, what a mission  
Ordered a taxi, everyones sniffin'  
Barely stepped foot out the kitchen  
Curtain twitchin'  
Hop in the cab, tell the lads to put quids in  
Feeling great, nothing great about Britain  
Money made, made me change my opinion

No, that's a L.I.E  
Come to my ends, you must be crazy  
Get pied no lie, you will D.I.E  
Just a likkle man, likkle C.I.D  
No, that's an L.I.E  
Come to my ends, you must be crazy  
Get pied no lie, you will D.I.E  
Just a likkle man, likkle C.I.D

That's a L.I.E  
Come to my ends, you must be crazy  
Get pied no lie, you will D.I.E  
Just a likkle man, likkle C.I.D  
No, that's a L.I.E  
Come to my ends, you must be crazy  
Get pied no lie, you will D.I.E  
Just a likkle man, likkle

Them man there laggin'  
We do this, don't need no backin'  
Back in the day I was a gyalis  
Now I'm on a vibe with my wife in a palace  
Dressed in Palace  
Smokin' a zooby, no chalice  
Go to the chippy, get a Mars Bar battered  
Step in my way and get your jaw side shattered, pissed  
I don't wanna deal with none of this madness  
Slave to the game getting chased, never captured  
Hopped the fence, feeling tense  
Put my life on the line for my rent, and expense  
Had to dig myself out a trench, endz  
I don't deal with no tens  
Two bills a z, yeah  
Two bills a z, yeah  
Two bills a z  
Two bills a z, yeah  
Two bills a z

No, that's a L.I.E  
Come to my ends, you must be crazy  
Get pied no lie, you will D.I.E  
Just a likkle man, likkle C.I.D  
No, that's a L.I.E  
Come to my ends... you must be crazy

Get pied no lie, you will D.I.E  
Just a likkle man... yah

Jiggle...

Come like Malcom In The Middle

Leave Malcolm

You know the steez, so you dunno the outcome

I think I need some talcum

Swoop in like a falcon

Can't stand their lies so I can't stand around them

I only trust my bros I can count on

Most people wet they need tampons

Hop out the whip then it's hands on

Asking me where my dank's from

Cali pack, it's not from Dam son

Dark alley like my name was Danson

It's the Jiggle

You get robbed like Lidl
