Walk in the club, every man's got tints
Big man wanna cry about drinks
When you walk, don't barge that prick
I'm here to catch vibes and you wanna chat shit
These guys got knives and they wanna dip me
Twice and try catch man on Bridge Street
Champagne bottle weren't with me
Situations get sticky
Next day the sun didn't come up
When your door came through at your mum's bruv
You pulled your quilt up to your top lip
Intensive care, no doctors
Made man run for his life fam
Shame your lock's not as nice fam
Karma strikes with my right hand
Next time try be polite fam

No names in this no name game, it's flames
Everybody's bait always, okay
Everybody's bait always, okay
Everybody's bait, just a holiday

Phone rings, who's belling me?
Attack for gold, could've played at Wembley
Wolf cry, I'm a cherokee
You speak in Tweets, call you a [?]
Henry, you man are belling me
Beg friend, beg you stop belling me
Hating, they won't give up that easy
Wasting your energy, harass, they baffle me
I be in a manor with bad breeds
Mana is vulgar, mandem are angry
Shank ain't a culture, mandem are anti
Look to our olders
Young ones like soldiers
Treat them the coldest
Soon they're the coldest
Give a fuck 'bout the olders
Treat them like vultures, na

Everybody's bait

Yo everyone's bait
Always tryna watch face
I'm just tryna jump on a plane
I don't want no fame
Shit, just let me paid
On Tobago beach
Ray Bans for the shade
Holler 'Dam for the dank

Grab it and flip it
That's cash in my hands
Change off of grade
Stash in my bedroom
Stash in the bank
Touch road for the night
Then back to my nan's
It's real like that
Banana, man get peeled like that
Them man are flat
Can't have wheels like that
Rewrite your verse and call me back
In fact, don't phone me
Bust two draws now he thinks he's an OG
Them man are chicken, poultry
Them man are sniffing, coke fiends
That's cool as long as you phone me
