

Feel It

Slushii

You know, I feel it in my heart
And I know you feel it too
We've had our times to lose
You know, I feel it in my heart
And I know you feel it too
We've had our times to lose
Oh, oh, oh

You know, I feel it in my heart
And I know you feel it too
We've had our times to lose
You know, I feel it in my heart
And I know you feel it too
We've had our times to lose
Oh, oh, oh

(You know, I feel it in my heart)
(And I know you feel it too)
(We've had our times to lose)
