

I'd Do Anything

Slushii

We tried everything we could, but
You know it's never that easy
I tried in every way to let you know
My feelings always get in the way
You know 'cause you can see through me
I tried but never got far enough

I'd do anything to have you back again
I would risk my life for you, yeah
I'd do it, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do it, I'd do it, I'd do it, I'd do
It, it, it, it
I would...

I'd do anything to have you back again
I would risk my life for you, yeah
I'd do it, I'd do anything

We tried everything we could, but
You know it's never that easy
I tried in every way to let you know
My feelings always get in the way
You know 'cause you can see through me
I tried but never got far enough

I'd do anything to have you back again
I would risk my life for you, yeah
I'd do it, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do anything
It, I'd do it, I'd do it, I'd do it, I'd do
It, it, it, it
I would...

I'd do anything to have you back again
I would risk my life for you, yeah
I'd do it

I'd do anything to have you back again
I would risk my life for you, yeah
I'd do it, I'd do anything
