

Lost And Found

Slushii

Was it all my fault
When it all came crashing down?
I couldn't change your mind
My memories are lost and found
Can you tell me where, my beloved?
'Cause I don't have a clue
I'll be the best that you'll never know
But it wouldn't matter to you

Was it all my fault?
Was it all my fault?
Was it all my fault?
Was it all my fault?

Was it all my fault
When it all came crashing down?
I couldn't change your mind
My memories are lost and found
Can you tell me where, my beloved?
'Cause I don't have a clue
I'll be the best that you'll never know
But it wouldn't matter to you

Was it all my fault?
Was it all my fault?
Was it all my fault?
Was it all my fault?
