

## Morphine

Slushii

I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
So come on on me

Cause I miss you  
So come on on me

I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
Cause I miss you  
I feel like I'm dreaming  
So come on on me

Cause I miss you  
So come on on me
