

Painter

Slushii

I knew her 'cause she was a painter
She used to live in Tokyo
"I don't want it, bye"
She crushed it up like Michelangelo
I knew her 'cause she was a dreamer
I heard this way above the clouds
But I waited too long
She found someone she can't live without

And I'm singing
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh

I knew her 'cause she was a painter
She used to live in Tokyo
"I don't want it, bye"
She crushed it up like Michelangelo
I knew her 'cause she was a dreamer
I heard this way above the clouds
But I waited too long
She found someone she can't live without

And I'm singing
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
