

Someone Else

Slushii

I wanna be, wanna be, wanna be, wanna
I wanna be, wanna be, wanna be, wanna
I wanna be, wanna be someone else

I wanna be someone else
Can you show me how to 'scape from this prison cell
I'm just trapped inside this hell
But you're keeping me breathing these words
Breathing these words
I wanna be someone else
Can you show me how to 'scape from this prison cell
I'm just trapped inside this hell
But you're keeping me breathing these words
Breathing these words

I wanna be someone else
Can you show me how to 'scape from this prison cell
I'm just trapped inside this hell
But you're keeping me breathing these words
Breathing these words
I wanna be someone else
Can you show me how to 'scape from this prison cell
I'm just trapped inside this hell
But you're keeping me breathing these words
Breathing these words

I wanna be, wanna be, wanna be, wanna
I wanna be, wanna be, wanna be, wanna
I wanna be, wanna be, wanna be, wanna
I wanna be, wanna be someone else
