

Stargazing

Slushii

I'm stargazing again
Leave the world behind you
Leave the world behind you
Leave the world behind you
I'm stargazing again
Leave the world behind you
Leave the world behind you
Leave the world behind you

I'm stargazing again
Stargazing again
Stargazing again

I'm stargazing again
Leave the world behind you
Leave the world behind you
Leave the world behind you
I'm stargazing again
Leave the world behind you
Leave the world behind you
Leave the world behind you

I'm stargazing again
Stargazing again
Stargazing again
