

Seventh Grade

Slutever

You smell like piss
My heart beat's fast as shit
It starts like this
God, I really hoped for it

You grab my hand
And I want you bad
That feels so right
You look really really nice

Your cutoff shirt
I feel like a pervert
Let's fuck all night
We'll blow our homework off

McDonalds later on
I'm watching cartoons now
All day at the mall
I'm kinda broke so what

The backseat of your car
Lipstick on your neck
That feels so right
You look really really nice

Your cutoff shirt
I feel like a pervert
Let's fuck all night
We'll blow our homework off

Dirty teenage love
Dirty teenage love
Dirty teenage love
I want your teenage love
