Sly & The Family Stone

Greed  
Greed

Do you know your neighbor's name  
Join the rest who feel the same  
Who can really hear your call  
If they're out to see you fall  
Greed  
Greed

One too many is a crowd  
Only plenty is allowed  
Fe fi fo fum  
Can't forget from where you come  
Greed  
Greed

Love is more than just a smile  
It will last you for a while  
All to win in war is peace  
Let the people live at least  
Greed  
Greed

Who's got what's his face to blame  
You don't even know his name  
If the shoe fits oh beware  
You might sometimes be unfair  
Greed

Just little greed  
Greed  
Greed

Some of us will go astray  
We can't always get our way  
So tighten up and bear the cross  
Lighten up and share the loss  
Greed

Talk about greed  
Greed  
Just a little too greedy  
Oh yeah  
Fe fi fo fum  
Don't forget from where you come  
Greed  
Greedy  
Greed  
One more time greed  
Greedy  
Greed  
Talking about greedy
