Sly & The Family Stone

Booty, loose booty

(Shadrach, meshack, abednego)

Hey, hey, hey, hey, hey, hey, hey

When you're tryin' to flee from any fakin' grin
I tell you what to do from, just bring my money in
Find yourself some roots to let it all hang out
Get into some dancing, do what it's all about

Loose booty

(Shadrach, meshack, abednego)

(Shadrach, meshack, abednego)

Loose booty

(Shadrach, meshack, abednego)

Hey, hey, hey, hey, hey

Life can be confusing, any given day
And if you feel like losin', get on out the way
This stuff will be amazing, here is all you do
How minutes turn to days in, doing what I do

Loose booty

Loose booty

(Shadrach, meshack, abednego)

(Shadrach, meshack, abednego)

Loose booty

(Shadrach, meshack, abednego)

Hey, hey, hey, hey

Now, I got to get on, see you in the mind
I want to stay your friend, oh, leave them blue behind
Only till you send me, watch me all you're free
Feel good to relax it, shake it on like me
