

# Mother Beautiful

Sly & The Family Stone

Who's the one who finally takes the pain  
With you, with you  
Suffers even when it's you to blame  
With you, with you

Mother beautiful, you're just beautiful  
Mother beautiful, can never behold

Who's the reason for my daddy's grin  
It's true  
It's true  
Every season and she's my best friend  
It's true  
It's true

Mother beautiful, you're just beautiful  
Mother beautiful, can never behold

Sometimes I say mama (Mother beautiful)  
If I'm a here (Mother beautiful)  
Sometimes I call my mama  
Yeah, she's here
