Runnin' Away

Sly & The Family Stone

Running away to get away Ha ha ha ha You're wearing out your shoes

Look at you, fooling you

Making blues of day and night Hee hee hee You're stretching out your dues

Look at you, fooling you

Shorter cut is quicker but Ha ha ha ha Time is here to stay

Look at you, fooling you

The deeper in debt the harder you bet Hee hee hee Need more room to play

Look at you, fooling you

Another day you're farther away Ha ha ha ha A longer trip back home
