(You Caught Me) Smilin'

Sly & The Family Stone

You caught me smilin' again You caught me smilin' again

Hangin' loose 'cause you ain't used To see me turned on

You caught me smilin' again You caught me smilin' again

I'll be gone and it won't take you long To climb a tree about me

You caught me smilin' again You caught me smilin' again

I ain't down I'll be around to carry on

You caught me smilin' again You caught me smilin' again

In my pain, I'll be sane
To take your hand
