

Baby Don't You Do It

Small Faces

Ah baby don't you do it, don't do it baby
Don't break my heart, please don't do it baby
Don't you break my heart
Ah don't do it baby

'Cause I sacrifice to make laughter
And nothings for myself
Now you wanna leave me
Because you're in love with someone else

I cried while walking home,
Whether right or wrong
I believe you baby
I'm gonna keep on keepin' on

I try to do my best
Yeah I try to do my best,
Don't you do it baby
Don't break my heart
Please don't do it baby
Don't ya break my heart

I go down to the river,
And there I'm gonna be
I'm gonna jump in babe
If you don't see about me

Open up your eyes
Can't you see I need you?
Open up your heart
Can't you see I love you?

I can't go on without you
My life's no good without you
I can't go on without you
My life's no good without you

Off the edge

Ah don't do it baby
Don't you break my heart
Please don't you do it baby
I can't go on without you
My life's no good without you
I can't go on without you
My life's no good without you
Off the edge
Please don't do it babe
