

I Can't Make It

Small Faces

I know how you're feeling
I've felt that way too
So don't get hung up
'Cos it's healing
And I'm gonna help you through it all

Listen baby
I can make it if you can
I can take it if you can
I know that your heart's strong
I know that you'll hold on
I can't make it without you
(No, no, no)
I can't make it without you
So open up your mind
As well as your heart
I can't go on knowing you're not near me
No, no no no

I know that I could love you
'Cos you kissed me with your eyes
But if you ain't got the strength to make it with me
Then I can't sympathise

Now listen, baby
I can make it if you can
Hey, yeah
I can take it if you can
My, my, my
I know that your heart's strong
Hey, yeah
I know that you'll hold on
Listen
I can't make it without you
(No, no, no)
I can't make it without you
You know it's true girl
Ha, you know it's true girl
I can't make it without you
So get yourself together and under control
And take me baby before I decide to go
Yeah, yeah, yeah yeah yeah, yeah, yeah
Yeah, I gotta keep on trying for you
Heah, I can't make it without you
No, no, no, no no, no
No, heah, I gotta sing this song one more time
Heah, I can't, I can't I can't
