

# Be Kind, Rewind

Smallpools

Better not to say what's on your mind  
Cause lately I'm worn down  
And we're not seeing eye to eye  
And honesty gets broken over time  
I was just like you, it don't make it right

Take sides why's everything so blurred like  
Some kind of static late night  
Hands in my face again and again and again and

Oh hey, are we out of time?  
Can we go back to the title screen  
Say what we mean and be kind rewind  
So stay for another night  
When the credits roll, our younger souls  
They always know to be kind rewind (be kind rewind)

We don't have to fix every mistake  
If we did I worry parts of us would be erased  
Just promise me till we run out of tape  
That we can hit pause here, cause it's gettin' late

Take sides why's everything so blurred like  
Some kind of static late night  
Hands in my face again and again and again and

Oh hey, are we out of time?  
Can we go back to the title screen  
Say what we mean and be kind rewind  
So stay, for another night  
When the credits roll, our younger souls  
They always know to be kind rewind (be kind rewind)

Do do do do do do  
Do do do do do do  
Do do do do do do  
Sometimes you just gotta press rewind  
Do do do do do do  
Sometimes you just gotta press rewind

And again and again and  
Oh hey, are we out of time?  
Can we go back to the title screen  
Say what we mean and be kind rewind  
So stay, for another night  
When the credits roll, our younger souls  
They always know to be kind rewind

Do do do do do do  
Do do do do do do  
Be kind rewind  
Do do do do do do  
Do do do do do do  
Be kind rewind

Be kind rewind
