

## Play Pretend

Smallpools

Slip into your house shoes  
There ain't nobody like you  
And with all your favorite friends  
Play pretend, pretend, pretend, oh-oh  
You're the captain of the pontoon  
Knock twice, yeah, if you know it's true  
And with all your favorite friends  
Play pretend, pretend, pretend, oh-oh  
Oh-oh

Can you please keep it down?  
We're doing the tango  
And breathin' with the machines  
It's a really fun time, though

And how'd we get here?  
I cannot remember

Slip into your house shoes  
There ain't nobody like you  
And with all your favorite friends  
Play pretend, pretend, pretend, oh-oh  
You're the captain of the pontoon  
Knock twice, yeah, if you know it's true  
And with all your favorite friends  
Play pretend, pretend, pretend, oh-oh  
Oh-oh  
Oh-oh

And how'd we get here?  
I cannot remember

Slip into your house shoes  
There ain't nobody like you  
And with all your favorite friends  
Play pretend, pretend, pretend, oh-oh

All the air is gone  
But it's alright  
'Cause we don't need it to survive  
Sailin' through the night  
Sailin' through the night
