

Broken Halo

Smash Into Pieces

Talk about peace of mind
It's a distant lie
Always passing by my head
It's a losing game

I got a darker side
Aiming for the light
But I'm falling back to hell
So I stay the same

In the dead of the night
Angels saying goodbye
Got me locked out of heaven
I'm gonna wear my

Broken halo oh
Broken halo oh
I can't let go
Of my broken halo

Bound to follow oh
My own shadow oh
I can't let go
Of my broken halo

I'm gonna twist and bend
Till the very end
Rather burn than just pretend
This is who I am

In the dead of the night
Angels saying goodbye
Got me locked out of heaven
I'm gonna wear my

Broken halo oh
Broken halo oh
I can't let go
Of my broken halo

Bound to follow oh
My own shadow oh
I can't let go
Of my broken halo

With my wings burned away
Is it too late to pray, to pray?
Broken halo oh

Bound to follow oh
My own shadow oh
I can't let go
Of my broken halo
Broken halo
Can't let go, can't let go
Can't let go, can't let go
Can't let go, can't let go

Can't let go, can't let go
Can't let go, can't let go
Broken halo
