

# Flow

## Smash Into Pieces

Burn away  
This feeling in my bones  
Like a never ending flow

Couldn't stop, couldn't let go  
Never knew how to take it slow, take it slow  
Couldn't live with a halo  
Never wanted a life below, life below

I love the darkness when we come together  
You set the fire in me

Burn away  
This feeling in my bones  
Like a never ending flow  
Tidal waves  
I'm staying in my zone  
Like a never ending flow  
Burn away  
Like a never ending flow

Going into a heatwave  
Coming out with a brand-new soul, brand-new soul  
Overdrive in the membrane  
And I don't wanna take control

I love the darkness when we come together  
You set the fire in me

Burn away  
This feeling in my bones  
Like a never ending flow  
Tidal waves  
I'm staying in my zone  
Like a never ending flow  
Keep chasing the feeling  
I can't get enough  
Vibrating right through my veins  
Burn away  
Like a never ending flow

I feel the darkness when we come together  
I can't get out of this never ending flow

Burn away  
This feeling in my bones  
Like a never ending flow  
Tidal waves  
I'm staying in my zone  
Like a never ending flow  
Keep chasing the feeling  
I can't get enough  
Vibrating right through my veins  
So burn away...

Like a never ending flow
