He's gone two thousand miles
It's very far
The snow is falling down

Gets colder day by day I miss you The Children will sing He'll be back at Christmas time In theses frozen and silent nights Sometimes in a dream you appear Outside under the purple sky Diamonds in the snow sparkle Our hearts were singing It felt like Christmas time Two thousand miles Is very far through the snow I'll think of you Wherever you go He's gone two thousand miles It's very far The snow is falling down Gets colder day by day I miss you I can hear people singing It must be christmastime I hear people singing It must be christmastime
