

## Diggin' Your Scene

Smash Mouth

Tell me why we're all gluttons for pain  
The girl is totally insane  
She doesn't know the meaning of tame  
Still I can't put out the flame  
Hey hey I wanna play on the team that you despise  
Every day a new disguise  
Every night a Halloween  
She says keep the motor runnin' man  
Like I was some machine  
You can talk talk but I'm keepin' her stock  
I wouldn't even change a thing  
Why fight you've got me roped and tied  
I hit your baited line  
I'm so diggin' your scene  
I said you're playing with my head  
I could split instead  
I'm so diggin' your scene  
On you like a hungry tick  
Like a junkie knows he ought to kick  
But I don't want to be dope sick  
So I scramble for a fix  
Voodoo and sorcery too I can't shake your freaky spell

Can anybody tell me why we're Springer bound  
Why we feel so up when we're kept down  
On a short leash behind a barbed wire fence  
With no chance of parole on a life sentence  
My friends tell me I should run  
They say they think she's got a gun  
But that just only turns me on  
Right on Right on Right on  
Hey hey I wanna play for the team that you despise
