

Padrino

Smash Mouth

Life imitates the game of chess
You can be the rook or a pawn
If you have the strategy that's best
You can be the king or in this case the don
It's easy to get knocked out of the game
Depending on which way you want to play
You've got to have eyes in the back of your head
Now that we have that out of the way

Rev up the Lincoln
And let's get to drinking some caffeino - Caffeino!
Let's go to Nicolettis
'Cause he makes a mean spaghetti sauce
I'm a connoisseur of the finer things in life
I'll take any flick with Al Pacino
I'm a man of respect and I prefer to be addressed as Padrino - Padrino!

If you're the type that likes to spill the beans
You could be a stone in someone's shoe
You'll receive a kiss on each cheek
Then you'll know that pretty soon the stone will be removed
Everyone knows that crime does not pay
It doesn't pay the taxes anyway
You've got to be slick if you don't want to stick
Now that we have that out of the way

Rev up the Lincoln
And let's get to drinking some caffeino - Caffeino!
Let's go to Nicolettis
'Cause he makes a mean spaghetti sauce
I'm a connoisseur of the finer things in life
I'll take any flick with Al Pacino
I'm a man of respect and I prefer to be addressed as Padrino - Padrino!

I know it's not a wise thing to do
Writing funny songs about the mob
But if it's all the same to you
I don't see it as a gang but a club
Where men sit like gentlemen
Plotting their events about
Things I shouldn't understand, comprehend or care
Like... Oh, I don't know maybe I shouldn't go
After all it is a family affair!

Stay out of the papers!
Don't get caught!
Leave the singing to Sinatra and always keep your big trap shut
Capice?

The underworld is like an undertow - If you don't respect it
It will surely bring you down - When you least expect it
Hey! expect it from all sides
Once you're in it is for life!

Don't be famous be infamous
And you will live to see another day
Be wise about with whom you discuss

Now that we have that out of the way

Rev up the Lincoln

And let's get to drinking some caffeino - Caffeino!

Let's go to Nicolettis

Cause he makes a mean spaghetti sauce

I'm a connoissuer of the finer things in life

I'll take any flick with Al Pacino

I'm a man of respect and I prefer to be addressed as Padrino - Padrino!

I'm a man of respect and I prefer to be addressed as Padrino - Padrino!

I'm a man of respect

And I prefer to be addressed...
