## Padrino

## **Smash Mouth**

Life imitates the game of chess You can be the rook or a pawn If you have the strategy that's best You can be the king or in this case the don It's easy to get knocked out of the game Depending on which way you want to play You've got to have eyes in the back of your head Now that we have that out of the way

Rev up the Lincoln
And let's get to drinking some caffeino - Caffeino!
Let's go to Nicolettis
'Cause he makes a mean spaghetti sauce
I'm a connoissuer of the finer things in life
I'll take any flick with Al Pacino
I'm a man of respect and I prefer to be addressed as Padrino - Padrino!

If you're the type that likes to spill the beans You could be a stone in someone's shoe You'll receive a kiss on each cheek Then you'll know that pretty soon the stone will be removed Everyone knows that crime does not pay It doesn't pay the taxes anyway You've got to be slick if you don't want to stick Now that we have that out of the way

I know it's not a wise thing to do Writing funny songs about the mob But if its all the same to you I don't see it as a gang but a club Where men sit like gentlemen Plotting their events about Things I shouldn't understand, comprehend or care Like... Oh, I don't know maybe I shouldn't go After all it is a family affair!

Stay out of the papers! Don't get caught! Leave the singing to Sinatra and always keep your big trap shut Capice?

The underworld is like an undertow - If you don't respect it It will surely bring you down - When you least expect it Hey! expect it from all sides Once you're in it is for life!

Don't be famous be infamous And you will live to see another day Be wise about with whom you discuss Now that we have that out of the way
