

## Waste

Smash Mouth

I'm lookin' at my watch  
At all the time that's been stolen  
When I was carrying you  
It seems I've tripped and I've fallen  
Don't want no one to ache  
Oh to be drunk and forgetful  
To get out of this unscathed  
Oh to be free and inhuman  
Some may say I love to play  
When the chance is there to take  
I'm moppin' up the floor  
From messy recipes of romance  
I'm packin' up the pots  
Too many cooks in the kitchen  
Some may say I love to let a good thing go to waste  
I let it go to waste  
Let a good thing go to waste a good thing go to waste  
Let a good thing go to waste a good thing go to waste  
I'm lookin' at my watch  
At all the time that's been stolen  
When I was carrying you  
Seems I've tripped and I've fallen
