

I'm Not Sorry

SMASH

I'm not sorry
I'm not sorry, sorry

Walkin' through the club I felt your shadow on the wall
Think I'm catching up, think we got a date with destiny
I bet your shadow'd rather follow me, mmm-hmm...

Dancin' through the night, you feel me breathin' down your neck
Taught me how to fight, guess I learned a trick or two or three
I keep them hidden up my sleeve, I hate to break it to you

I'm not sorry, sorry
For the person I've become
Not sorry, sorry
I don't live under your thumb
It's time to stand aside
You can't take the best of me
Hate to break it, hate to break you, hate to break it to you

I'm not sorry
I'm not sorry, sorry

Talkin' in your sleep, I heard you're livin' in a dream
Go wake up in your castle, my throne is not your destiny
You'll never take this crown from me, I hate to break it to you

I'm not sorry, sorry
For the person I've become
Not sorry, sorry
I don't live under your thumb
It's time to stand aside
You can't take the best of me
Hate to break it, hate to break you, hate to break it to you

I'm not sorry
I'm not sorry, sorry

Not sorry
I hate to break it to you

I'm not sorry, sorry

For the person I've become

I'm not sorry, sorry

I don't live under your thumb

It's time to stand aside
You can't take the best of me

Hate to break it

Hate to break you

Hate to break it to you
I'm not sorry, sorry (Yeah)

I'm not sorry, sorry (I'm not, I'm not)
It's time to stand aside
You can't take the best of me

Hate to break it

Hate to break you

Hate to break it to you
I'm not sorry
