The Smashing Pumpkins

**Hmi C#mi A**

My daydream seems

**F#mi Asmi A A**

as one inside of you

**Hmi C#mi A**

though it seems hard

**F#mi Asmi A**

to reach through this life

**F#mi Asmi A**

your blue and hopeless life

My daydream screams

bitter till the end

the love I share true

selfish to the heart

my heart my sacred heart

**Hmi C#mi**

dream

**F#mi Asmi A**

my daydream :/
