

Ramona

The Smashing Pumpkins

I should wander
Yet I shaln't gander far
Beyond her spells enchant

As red made roses
As red made crimson morns
Black makes my blood char

I know I'm ruthless
Ain't the kind to see
I know I'm ruthless sigh

Ramona, Ramona, Ramona
Storms with thee
Ramona, ain't it just I dreamed?
Ramona, Ramona, Ramona
You with me
Ramona, let's not say we're bound

I know I'm ruthless ain't the kind to free

I've been riding high
I've been riding stone alone
Right out of my mind

Ooh, the incantations of
The souls she's torched to dust
By hex that had no stage
Of all the evidence
Of all I've ever been
Was some innocence to where I belonged
By the elements I've been roaming too long

I know I'm ruthless
Ain't the kind to plead

Ramona, Ramona, Ramona
Storms with thee
Ramona, ain't it just like I dreamed?

Ramona, Ramona, Ramona
You with me
Ramona, let's not say we're bound

Ramona, Ramona, Ramona
Deliver thee
Ramona, ain't it like I dreamed?

Ramona, Ramona, Ramona
You with me
Ramona, Ramona please
