

Save Your Tears

The Smashing Pumpkins

Hauntings and bellwethers
Not always, but forever
I'll tell you why, I'll tell you why
I am your spy
I'll tell you
I am your spy, I'll tell you why
Yes, I'll tell you
Yes, I'll tell you

Swoon
Swoon in spirals phased
Swoon in chorused grays
Won't you go?
Won't you freeze?
Please although
You're asked to still
Swoon in somber haze
Swoon by haste

Replays and now downwards
Flailings ain't no westwards
Two eyes have I, two eyes have I
I am your spy
I'll tell you
Yes, I'll tell you

Swoon
Swoon in spirals phased
Swoon in chorused grays (Chorused grays)
Won't you go?
Won't you freeze?
Please although
You're asked to swoon
Swoon by devilment

(Ooh, ah)
So what's been done
Let it linger on
Like candy floss (Ooh)
Or loss unswept
Swoon, swoon
Swoon, swoon (Ooh, ah)
Swoon
