### The Smashing Pumpkins

Come on in and join the run around  
Got to get yourself all the way down  
Come on in the water's warm, we're waiting for you now  
Come on in and take a plunge and see if you can fall

I need it so bad  
I need it so  
I need it so bad  
I need it so bad

Come on in and join the water down  
Got to get yourself up off the ground  
You know I can't escape this world, you know I can't escape this world  
What it is I can absorb, what it is I can absorb

I need it so bad  
I need it so  
I need it so bad

And on my own I can't escape you all  
And on my own I can't escape you all  
And on my own I can't escape you all

The world belongs, belongs to me  
The world belongs, belongs to me  
The world belongs, belongs to me  
The world belongs to me, yeah  
The world belongs, belongs to me  
The world belongs, belongs to me, yeah

I need it so bad  
I need it so  
I need it so bad  
I need it so  
I need it so bad

And on my own I can't escape you  
And on my own I can't embrace you  
And on my own I can't escape you all, yeah
