The Smashing Pumpkins

It's Berlin, baby  
Luxor 'n daisies  
And I'm plumb crazy  
For your tomorrows  
It's Weimar, lately  
Luxor 'n daisies  
And I'm plumb crazy  
For your tomorrows

Take me away I'm gonna find you  
Take me away I'm gonna find you  
'Cause nobody else could ever mind you  
Take me away I'm gonna find you

Can you feel this  
Can you feel this  
I can feel this  
For your tomorrows  
It's Berlin, baby  
Luxor 'n daisies  
And I'm plumb crazy

Take me away I'm gonna find you  
Take me away I'm gonna find you  
'Cause nobody else could ever mind you  
Take me away I'm gonna find you  
You drew to this rye  
While I was righting my own sun  
Bright as your eye, and glitched

Take me away I'm gonna find you  
Take me away I'm gonna find you  
'Cause nobody else could ever mind you  
Take me away I'm gonna find you  
It's Berlin, baby, Weimar blues!  
Blues and grays won't make the change  
Can you feel this love I've made  
Take me away  
Take me away

Take me away I'm gonna find you
