

## Steps In Time

The Smashing Pumpkins

Can you  
Can you hear me?  
Can you feel?  
You feel me?

Written as a birthright  
On pregnant bough, a guarded night  
Is it more than what you'd bargained for

Steps in time  
We're steps in time

Risen to the fore  
Yet rotten to our core  
More has ceded more  
Where history divides

Do you love me?  
I'm shouting out  
Will you need me now?  
I've had it all  
But the honor  
Sha-la-la  
Sha-la-la  
Will you love me?  
Shouting out what the ages brought  
And triumph not what goes reeling  
Sha-la-la  
Sha-la-la  
Sha-la-la  
Sha-la-la

Dream-dream of new dreams  
It's the cream of blessed shock  
Boy, your gift ain't squandered  
Boy, your head screams artifice  
To the aught Decembrists we bid bye-bye

Steps in time  
We're steps in time

Risen to the fore  
Yet rotten to our core  
More has ceded more  
Where history divides

Do you love me?  
I'm shouting out  
Will you need me now?  
I've had it all  
But the honor  
Sha-la-la  
Sha-la-la  
Will you love me?  
Shouting out what the ages brought  
And triumph not what goes reeling  
Sha-la-la

Sha-la-la  
Sha-la-la  
Sha-la-la
