

Sun

The Smashing Pumpkins

What it wants is four more years
Moving tears of pain
Lost I go into your hiding room
You'll be lost to me

Walking in the sun
I'll never feel the light
Walking in the sun
I'll never feel

Why? Confusion haunts me still
My will can't reign
Lost I go into your hiding room
You'll be lost to me

Walking in the sun
I'll never feel the light
Walking in the sun
I'll know that I never feel
Walking in the sun
I never feel the light
Walking in my sun
I know that I never feel
