

## The Colour of Love

The Smashing Pumpkins

Whoever wants you alone  
Whoever wants you atones  
It's with this prayer I've sewn  
Whoever wants you alone

(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
A vast amount of the time slipped away  
A vast amount of the time slipped away

I gave you all, always have (and always)  
I gave you all as I was asked (as always)  
As pieces of [?] fall from grasp  
Whoever asks for more than that  
A camp beholds me

(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
A vast amount of the time slipped away  
A vast amount of the time slipped away

(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
(Colour of your love)  
And the colour of your love is gray  
A vast amount of the time slipped away
