

# There It Goes

The Smashing Pumpkins

There it goes  
playing with my heart again  
I don't know when  
I'm gonna come up for air  
for you now, again

And the way you look at me  
makes me happy inside  
knowing all the while  
I can't hide

Come and go  
wasting my years  
I was born to fear  
that there's something in the air  
for you now, again  
for you now  
for you now

And the way you look at me  
makes me happy inside  
knowing all the while  
I can't hide

When you've thought to come back  
would you take me home?  
when you've thought come back  
all alone  
all alone

There it goes  
playing with my heart again  
I don't know when  
I'm gonna come up for air  
for you now, again  
for you now  
for you now

And the way look at me  
makes me happy inside  
knowing all the while I can't hide

When you've thought to come back  
could you take me home?  
when you've thought to come back  
all alone  
all alone
