

# **We Only Come Out at Night**

**The Smashing Pumpkins**

We only come out at night, the days are much too bright  
We only come out at night  
And once again, you'll pretend to know me well, my friends  
And once again, I'll pretend to know the way  
Thru the empty space  
Thru the secret places of the heart  
We only come out at night, the days are much too bright  
We only come out at night  
I walk alone, I walk alone to find the way home  
I'm on my own, I'm on my own to see the ways  
That I can't help the days, you will make it home o.k.  
I know you can, and you can  
We only come out at night, the days are much too bright  
We only come out at night  
And once again, you'll pretend to know that  
There's an end, that there's an end to this begin  
It will help you sleep at night  
It will make it seem that right is always right  
Alright?  
We only come out at night
