Sweet little bumblebee, I know what you want from me
Doodoodoodoodoodada x2
Sweet little bumblebee more than just a fantasy
Doodoodoodoodoodada x2

My heart skips a beat when you walk in the room
I go boom, boom, boom
You go zoom, zoom, zoom
You're my playboy, playtoy
Love, and my friend
I wanna be with you until the end

I give my heart and soul to you, to make you see it's true
I'm so confused, baby can't you see
Please come rescue me

Sweet little bumblebee, I know what you want from me,
Doodoodoodoodoodada x2
Sweet little bumblebee, more than just a fantasy,
Doodoodoodoodoodada x2

I start to cry when you walk out the door
You go bye, bye, bye
I go why, why, why?
I'm so lonely, yeah lonely waitin' for you
To come back and tell me, "I love you"

I give my heart and my soul to you, to make you see it's true
I'm so confused, baby can't you see
Please come rescue me
